Who We Are

The International Institute of Knowledge Management (TIKM) is an entity that facilitates the purpose of knowledge transfer by constructing the career of the research fraternity, empowering decision making in the corporate sector and promoting on quality decisions for policy makers through academic Conferences. A vision of transforming the Asian research culture to betterment is made possible in TIIKM Conferences by setting novel standards for better people engagement, promoting international exchange through research and bridging study to industry. Researches serve as the fundamental component for the development of ideas and concepts leading towards the emergence of innovations that result in a deviation from what was traditionally executed and practiced. TIIKM creates that platform to address the need of researchers to showcase their work to the outside world and contribute towards constructing a meaningful future.

Vision

”Revolutionizing the Asian Research Culture.”

Mission

”Facilitating the purpose of knowledge transfer by constructing the career of the research fraternity, empowering decision making in the corporate sector and promoting on quality decisions for policy makers through academic Conferences.”

Conference Overview

This conference intends to be the global forum for researchers, educators, academicians and engineers to present and discuss recent innovations and new techniques in Engineering technology and Architecture. The conference will be an ideal platform for delegates to exchange their ideas and experiences face to face with many networking opportunities.

Call for Papers

The International Conference on Architecture and Civil Engineering 2019 invites Engineers, Architects, academics, researchers, practitioners, scholars, and industry experts to exchange and share their experiences and knowledge on all aspects of Architecture and Civil Engineering from all around the world. TIHKM welcomes you to send abstracts for the Conference, which will be held, from 20th – 21st June 2019 in Colombo, Sri Lanka.

The International Conference on Architecture and Civil Engineering 2019 (ACE 2019) will provide an excellent international platform for sharing knowledge and results in theory, methodology and applications impacts and challenges of Architecture and Civil Engineering. The conference discuss practical and theoretical results which make a fundamental contribution to the development of Architecture and Civil Engineering. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field. Original research papers, state-of-the-art reviews are invited for publication in all areas of Architecture and Civil Engineering.

Abstract Guidelines

Abstract Submission Process

In order to present at **the International Conference on Architecture and Civil Engineering 2019** you have to send your abstract on or before the abstract submission deadline. The abstract must first pass a blind peer review and if accepted by the reviewer, we will send you the abstract acceptance notification. Upon payment of the registration fee, your presentation will be confirmed.

How to Submit

- Please submit your abstract to abstract@architectureconferences.com
- The acceptable word range for the abstract is 175 – 275 words. The abstracts which do not meet this word limit will be asked for revisions.
- Your submission should be submitted in English.
- We encourage you to send informative abstract (complete abstract) which is a compendious summary of a paper's substance including its background, purpose, methodology, results, and conclusion
- Please send in a brief biography together with the Abstract.

Full Paper Guidelines

If your abstract is accepted and you have paid the registration fee for the the International Conference on Architecture and Civil Engineering 2019 you are encouraged to submit manuscripts before Deadline. Final manuscripts must be sent to publication@tiikmedu.com

We accept the submission of high quality papers describing original and unpublished results of conceptual, constructive, experimental and theoretical work or research in all of the areas mentioned. Submission of a manuscript implies that it is not under consideration for publication elsewhere.

Full paper reviewing process

- All manuscripts will be subjected to double blind peer-review and are expected to meet the scientific criteria of significance and academic excellence.
- The submitting author is responsible for ensuring that the article's publication has been approved by all the other co-authors and takes responsibility for the paper during submission and peer review.
- The publisher will not be held legally responsible should there be any claims for compensation.

Full paper submission process

- The full manuscript must be submitted as a MS Word document in .doc format (not as a PDF or .docx format) and named with author's abstract number and name.

- All manuscripts should be in English. Please ensure that your manuscript is not having any errors; this is especially important if English is not your first language.
- Download the Full Paper Template and thoroughly take after the designing rules.
- The format will help you to present your manuscript, subsequently you are asked for to take after the configuration thoroughly.
- Full manuscript that do not follow this format will be rejected.
- If paper is requested for revise we will send back to you with comments and you must send the corrected paper within a week.

Journal Publication Guidelines

If you wish to submit your manuscript in supporting journals of the upcoming conference please follow the supporting journal's submission process and the template guidelines. For more info please visit ACE 2019 website.
